3rd It can be seen from the report of the Amildar of Erlandur (Fl. VI) that in the instance her Srinivasa Iyengar's name had inadvertently not been included in the roll and that on his objection an enquiry was made and his name was included. If the appellant her Srinivasachar was aggrieved, he should have preferred an appeal to the D.C. Cuddapah as required by G.O. M.S 2406 - Legis - 13.23.6 dated 7.11.1923 (Fl. B) He did not do so.

4th Besides it is not clear why the elections of her Srinivasa Iyengar to the R.A is to be set aside, even if his name is wrongly included in the electoral roll of the legislative council.

3rd I have gone through the records.

4th. The main grounds of appeal are, first, that Sri Srinivasa Iyengar who is now declared to be duly elected, has alienated his lands with a view to defraud his creditors; & secondly that his name has been wrongly included in the list of candidates eligible for election to the Legislative Council after an enquiry (Flag B).

3) As this is an appeal against the order of D.C. who rejected the application on the ground that it was barred by time, the petitioner has to urge valid reasons against the order of D.C.

4) He has failed to show that he had sufficient reason for condoning the delay. In the last para of his petition, he says that his case should be treated as a special one for the grounds set forth above & fresh election ordered.

4) Thus it is clear that he does not allege any reason for the delay in presenting his application to D.C. & relies on two grounds mentioned above.

4) There are other reasons why his application is not to be entertained. In the first place he made no deposit of Rs. 100/- as required by the rules. On this ground alone his application is liable to be dismissed.

4) Secondly on the merits he has no legal or valid reason for setting aside the election. The allegation that the successful candidate Mr. A. Col had name included in the list of candidates eligible for election to Local Council will not help the petitioner even if it is true. The first ground taken has nothing to do with the election. So is the 2nd ground. 4) Hence the appeal may be rejected.
